

# 2019 PRODUCT GUIDE

EPIC FUSION EX CARBON is well balanced 15mm full carbon stabilizer. It is designed to provide reliable performance as guaranteeing your shooting accuracy with a minimum investment. The built-in vibration damping rubber section and stackable stainless steel weights allow the archer to have a more balanced and comfortable shooting environment. This model is produced from 100% high-modulus cross carbon shaft for maximum strength.

VIBRATION DAMPENING SYSTEM
